* This column shows the total number of **report submission** measures that apply this quarter. Some reports are due quarterly, one is due semi-annually, and several are due annually.

★ Indicates the LME met the performance standard for the measure.

% Percents that are highlighted green indicate the LME met the performance standards for at least 65% of the measures in the respective category (e.g. report submission and/or data submission). Meeting the performance standards for at least 65% of the measures is one of the factors considered in LME monitoring decisions and single stream funding eligibility.
